

Notes from the Foxhole of Blackfoot 6:

Greetings from Afghanistan! Hope everyone is doing well back there in Alaska. Your husbands' performance over the first month of my command have been nothing but impressive. I know that you are all proud of them for the outstanding efforts to leave a lasting impact in this country. Thank you for the support in last month's FRG activities, and I urge you to continue to volunteer and participate in all upcoming events. Your first class support for the men of Blackfoot Company continues to be a vital part of our mission success during this deployment; I truly appreciate your efforts.

CPT Jonathan M. Chung
