Newsletter No. 4
February 2004

Kim Park's Corner:

It feels like we just celebrated New Year, yet it is already February. Thank you for your great teamwork.

I hope everyone enjoyed the Battalion Potluck. It was a great opportunity to meet the spouses from different companies who are in same boat as we are. Hope to see you all at our next Battalion Potluck!

Valentine's Video Gram for January FRG was a great success due to your participation. Due to soldier's request, I will have a video recorder for every FRG so we can send a video gram every month. Scheduled FRG activities will remain the same.

If you have any questions regarding last Afghanistan Briefing, please contact me or Tawnya.

Again, thank you for your support and keep up the good work!
