MEMORANDUM FOR Billing Officials Fort Richardson, Fort Wainwright, Fort Greely

SUBJECT: Government Purchase Cardholder's Merchant Category Codes

Beginning October 1, 2004, when a Government Purchase Card Account (GPC) is established, the Merchant Category Code 000 will no longer be utilized. The following codes will be available for utilization: 0792 for Standard Supplies/Services, 0081 for HAZMAT, and 0684 for Training.

We will be making mass changes to all accounts between October 1st and October 15th. Prime Vendor Accounts will not be altered.

Organizations that have special needs will include a letter of justification when requesting that restrictions not be attached to particular GPC Accounts.
