

ATTACHMENT 5

The Contractor's Quality Control Plan (CQCP) shall be made available to the Contracting Officer/Contracting Officer Representative (COR) at least two weeks prior to initiation of contract performance. The Contracting Officer, COR, and requiring activity representatives shall review the CQCP and approve or disapprove it within five (5) working days after receipt. If CQCP is disapproved, the Contracting Officer will reject the plan and establish a new submittal and new review date. This process will continue until a CQCP is approved.
